

Perfectly Green Product Specification Sheet

Product: 4mm U Pins

Technical Data

- **Green Coated Hot Dipped Galvanised for increased rust prevention, suitable for securing artificial grass.**
- **Discreet, green painted, low profile head ideal for blending into grass.**
- **Professional specification, steel U-shaped pegs, suitable for hard ground, resulting in fewer bent pegs.**
- **Immersed in molten Zinc, providing a thicker coating than electrogalvanized alternatives.**
- **Sharper, pointed, bevelled ends improve penetration of turf backing with reduced damage to fabric compared to barbed plastic pegs.**
